To help you order wools, this chart gives an indication as to the amount of wool required to stitch this design.

	Appletons	Anchor	Metres Required
1	825	8634	62
2	456	8530	15
3	254	9200	25
4	477	9536	5
5	654	8938	25
6	991B	8000	48
7	462	8686	12

We match all our designs to the excellent Appletons Wool Range and give a conversion to Anchor Wools.

The Anchor Wools shade range is not as extensive as Appletons, so some shades may not match exactly.
